(a) & (b): As on 01.10.2002 the manpower strength of Oil & Natural Gas Corporation Limited (ONGC) was 23,734 executives and 16,093 non-executives. ONGC has reported that there is no unrest and the industrial relations are quite peaceful.However, in view of the new increasingly competitive and challenging environment, ONGC has embarked upon an organisational restructuring exercise to address the imbalances in availability and requirement of manpower through Corporate Rejuvenation Campaign .
